

GRACE DIEU NURSERY

Outstanding Nursery Practitioners needed!

Outstanding was awarded to Grace Dieu Nursery within a year of opening. Our staff are passionate & committed – but as we are full we need more staff to join us!

Unique setting – the Nursery sits in 120 acres of beautiful countryside for children and staff to enjoy.

Take your Nursery career to the next level – there are opportunities to develop and progress as the Nursery grows further.

Staff are all friendly and supportive, and the majority of our Room Leaders have been with us since we opened.

There are lots of onsite facilities for you to use with your children each and every day – play areas, in the forest, in our sports hall, and the School library.

An abundance of animals – our alpaca herd, chickens and Giant African Land Snails are all on-site to visit, feed and enjoy!

No two days are the same! We believe in child initiated, in the moment, planning.

Delicious food for children and staff is all cooked onsite.

Is anyone up for swimming?! Not only do the children have free lessons each week, the staff can use the swimming pool two evenings a week for free too!

Not as much paperwork – as we are moving to children's learning journeys being logged via tablets. So there'll be more time to enjoy inspiring young minds.

Great community of lovely parents, children and staff at both our Nursery and the School. Why not come and visit us to see for yourself!
